We're delighted that you'll soon be visiting The Paul Forrester Training Centre. Our standalone facility is almost 20,000 sq ft in size so you won't miss it! Located just off the M62, it's easy to get to with plenty of on-site car parking. When you get here, just go through the main, double doors to our reception where someone will be happy to look after you.

From the M62:

- Exit at junction 11
- Head towards Warrington East, Birchwood A574
- Continue for about 2km until you get to a roundabout (the Pentahotel will be on your right), take the third exit onto Faraday Street (see map below)
- Take the first right onto Cavendish Avenue
- Take the first left onto Kelvin Street
- Take the first right onto Eddington Way
- You will see the Paul Forrester Training Centre (Unit 718) on your left

We hope you have a fantastic visit!
